## HIRING COMMITTEE

Northview High School  
10625 Parsons Rd,  
Johns Creek, GA 30097

**Dear hiring committee,**

I am writing to express my interest in the High School Principal position at Northview High School. With 25 years of experience in education, I am confident in my ability to lead Northview in its mission to foster academic excellence, innovation, and student growth.

Throughout my career, I have worked diligently to create environments where both students and staff can thrive. As an Assistant Principal at Alpharetta High School, I spearheaded initiatives to improve student EOC testing outcomes, which led to a 30% increase in passing rates over two years.

One of my core beliefs is the power of collaboration. I have a proven track record of building strong relationships with students, staff, parents, and the wider community to foster an inclusive and supportive school culture. A high school should not only focus on academic success but also prioritize the holistic development of each student.

At Alpharetta High School, I led efforts to enhance school safety. This experience equipped me with the skills needed to successfully manage both the operational and instructional aspects of a high school.

I am excited about this opportunity to contribute my leadership skills and passion for education to Northview. I am confident that together, we can build on the school's success and provide every student with a well-rounded education.

Thank you for considering my application. I look forward to discussing how my experience and vision align with the goals of Northview.

**Sincerely,**  
Li Chen
